

XLT Grill

PERFECT PROTEINS EVERY TIME!

Are quality, consistency, and safety a challenge when it comes to grilling in your restaurant?

XLT, known for their highest quality, simple, smart pizza ovens, now has your grilling solution. **Meet the XLT Grill!**

This conveyor system will save you money in labor, food waste, and energy costs. Let the XLT Grill do the work with custom settings unique to your menu. Every position on the conveyor grill produces the exact same results, every time!

Cook all proteins - steak, chicken, salmon - perfectly.

Need more convincing? Schedule a live bake demo session at our facility. Simply share your menu standards and finished plated characteristics, we will provide a full test drive!

7 YEAR PARTS + LABOR WARRANTY!

Simple. Smart. -Grilling!
