

**24/7/365 Live Technical Support**  
**Available 10 Year Warranty**  
**Lowest Cost Of Ownership**

Are you paying too much to keep your kitchen cool?

Are your employees complaining about how miserable it is in the kitchen?

We have the perfect solution for you!

## **XLT Hood** **Pays Back in 3 Years!**

With the strategic design of the XLT Hood, you can pay less on your electricity bills and keep your employees happy and comfortable.

The XLT's patented hood design has proven to save, on average, 20-30% on your electricity bills. With this type of savings, the hood will virtually pay for itself in 3 years!
